

THE DAILY PHOENIX.

"Let our just Censures

Attend the True Event."

BY J. A. SELBY.

COLUMBIA, S. C., THURSDAY MORNING, AUGUST 1, 1872.

VOL. VIII—NO. 114.

every public representation of this play, while, at the same time, its frequent reproduction shows that there is a large party in France who enjoy the satire, and are pleased to see the Republican leaders made ridiculous. The moral to be drawn from the play itself, and from the manifestations of popular temper to which it has given rise, is not the most favorable augury for the success of what, in America, at least, is understood by Republican institutions.—*Baltimore Sun.*

The Government is said to be acquiring a valuable stock of diamonds. Many attempts to smuggle them have been discovered, and the gems have been seized. Costly brilliants have been found in letters sent by mail, in boot heels, in cakes of wax and candy, and in plugs of tobacco, carried carelessly in the pocket.

A Texas editor, in discussing the right of a member of Congress from that State to his seat, says: "The seat is his by one of the highest titles known to the laws of civilized lands—the right of purchase—for he bought the seat and paid for it."

A large and varied lot of cards, suitable for weddings, invitations, visiting and business purposes, have just been received at this office, which, owing to the dull season, will be printed at very low rates.

The advertising agency of Walker, Evans & Cogswell, represented by Roswell T. Logan, Esq., is the only authorized agency for this paper in Charleston.

CAMPAIGN NEWS.—The Presidential campaign is now upon us, and is destined to prove the most exciting and interesting one that we have had for many years. We are determined to furnish our readers with the fullest and freshest information from all quarters of the Union, as the campaign progresses, and to this end will increase the number of our news columns, so that the PHOENIX will contain for the campaign more reading matter than any daily paper at the capital, and as much as either of our Charleston contemporaries. To the citizens of the upper Counties of the State, the PHOENIX, as furnishing news twenty-four hours ahead of the Charleston newspapers, particularly addresses itself. All ye who feel an interest in the election of Greeley and Grant Brown, and desire to know the correct status of the campaign as each new development is made, send in your subscriptions to the PHOENIX, either daily or tri-weekly. We promise you a lively, readable and reliable paper. Send for specimen copies.

Special Notices.

MILLVILLE, FLA., September 22, 1860.
Dr. Wm. H. Tuttle.

DEAR SIR: In my young days I was rather wild, and became the victim of a loathsome disease. I was treated by an eminent physician, and thought I was cured. After moving to this State, I was horrified at finding that the disease was making its appearance again, in a secondary form. Ulcers formed in my mouth and on different parts of my body. I also became afflicted with severe Rheumatism. I employed different physicians, and used various patent medicines for months, all to no purpose. Upon a visit to Jacksonville I saw your Saraparilla and Queen's Delight, and concluded to try it. I have taken a dozen bottles, and believe that the poison is entirely driven from my system. I intend continuing it, however, to make a sure thing of it. At the request of your Agent, I send this to you. You are at liberty to use it as you like. Yours respectfully,
JOHN H. GUILFORD.

LIVER COMPLAINT AND BILIOUSNESS.—Dr. Tuttle's Liver Pills exert a direct and powerful influence on the Liver, and will with certainty relieve that important organ from disease, and restore its normal functions.
